Varieties:

Rustic Italian- Light, almost white bread made with soft white spring wheat and a hint of olive oil and sea salt topped with sesame seeds.

Sundried Tomato- Rustic Italian bread with sundried tomatoes mixed in the dough- vegan.

Challah- This Jewish Sabbath bread is made with eggs and honey from the farm, topped with poppy seeds and formed into a braid for tearing, slicing and sharing.

Whole Wheat- Made with hard red winter wheat, this hearty bread is a favorite among our most loyal customers, topped with sesame and flax seed.

Muesli- A fun combination of sprouted red wheat, dried black currants, crasins, sunflower and pumpkin seeds mixed in our vegan whole wheat dough. Vegan.

Spelt- Ancient grain from Egypt spelt is a wheat variety that is much lighter than our red wheat. Low on glycemic index and gluten content, topped with spelt flakes.

Multigrain- White wheat, red wheat, spelt, barley, rye, oats and flax mixed in a hearty, whole grain bread. Topped with multi grain flakes.

Chocolate Chip- Why not? Spelt bread laced with chocolate chips and swirled chocolate make a great PB&J or French toast!

Sourdough Rye- Our sourdough starter came from sauerkraut juice from our own cabbages and is only ever fed our very own freshly milled organic rye flour. Vegan.

Pumpernickle- Bursting with a party of flavors in your mouth, our pumpernickel is a very dark rye complete with freshly milled caraway seeds. Vegan.
